

UPDATED FORMATION CALENDAR

DIOCESE OF PALMERSTON NORTH 2020

Special Character Reviews, Term 2 2020

Schools have been contacted and arrangements with them.

We will wait until we hear what the Education Review Office is planning to do regarding their Term 3 and 4 reviews before we make any decisions about reviews in Terms 3 and 4. Pauline will be in touch in good time. Most of the diocese in the country are taking this action with the exception of Wellington and Dunedin diocese who have cancelled reviews for the rest of the year.
