E tū te mana o Te Ao: Building a Climate of Hope Turning Ideas into Positive Action through Local Projects

Palmerston North Interfaith Group and All Saints Green Task Force have organised a series of four weekly Palmy Climate Conversation Starters. Each Palmy Climate Conversation Starter will commence with a webinar from the The Religious Diversity Centre's Building a Climate of Hope webinar series and be followed by a facilitated conversation and discussion. The webinars bring together an outstanding group of keynote speakers, commentators, and moderators and we think they will be excellent conversation starters.

*Check out and share these events on AS facebook pages, and
Come and be part of our Palmy Climate Conversation,
together we can turn ideas into positive action through local projects.*

RSVP: Beth.Lew51@gmail.com 0274 399 565
